

Class for Nurses Set

A special refresher course in pediatric nursing care for inactive, registered nurses who want to return to service is being offered by Harbor General Hospital.

Applicants currently are being interviewed at the hospital, Feb. 10 is the final date to submit an application for the course, Mrs. Bernadine Clark, director of nursing, said.

The course, which will last about four months, will begin Feb. 20. Applicants will be given their own choice of evening, night, or day shifts, Mrs. Clark said.

"The course is especially designed for the nurse who wants to learn about newer trends in nursing care and the use of modern equipment in the pediatric services," Mrs. Clark said. She also said there is "a definite need" for more registered nurses in pediatric services.

WARRIOR TRAILS

By Robin Newcomer

Warrior Week began with lots of school spirit and went out with victories and a feeling of pride that we are the West High Warriors. The first victory occurred at Friday night's basketball game which ended in our favor against Aviation. We are now tied with Palos Verdes and Aviation for second place.

Success of the Warriors didn't stop on Friday, though. Defending last year's Boy Scout Parade first place trophy, the Varsity Marching Band, drill team, majorettes, and flag twirlers proved they are still best.

"Invercargill" was the winning march that was heard as the group paraded down Torrance Boulevard on Saturday morning. In the four years in the band has been marching, it has won this particular trophy three times! The four-foot trophy is on display in the library.

THE SOPHOMORE class is sponsoring an all-school class pin sale. The pins are gold plated with the letters WHS connected to a chain. On the other end of the chain is your class year. These pins are \$1 and will complement any sweater or jacket, especially band, drill team, GAA, letterman, and senior sweaters.

Drama students will be given the special opportunity to see the play, "Camelot" at Pepperdine College March 3. The price of the tickets is only \$2 but only 13 seats were reserved so buy your ticket early from Kathy Fritzel or Lissa Vitalis.

The new ASB student council

has already thought of plans to improve some of the methods of student government. One of their major goals is to revise the way elections are run and to stimulate a greater interest in the elections. One of the suggestions was to have voting done in social science classes so there will be a greater percentage of the student body voting.

ANOTHER ACTIVITY discussed was the purchase of a microscope for Mr. Ram B. K. Shrestha's high school in Nepal. At the present time a committee is reviewing the suggestion.

Last Thursday the juniors had a class meeting to choose the photographer and orchestra for the fast - approaching Junior - Senior Prom. The Lewis Carroll Orchestra will

provide the music and the pictures will be taken by Robert's Studio.

Be sure not to miss this Friday's game at Lennox with another victory of the Warrior team!
